The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ACCEPT A GRANT AWARD FROM THE GOVERNOR'S
OFFICE OF EMERGENCY SERVICES FOR THE
SOUTHERN CALIFORNIA HIGH TECHNOLOGY
TASK FORCE IDENTITY THEFT DETAIL
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Request Board approval for the Los Angeles County Sheriff's Department (Department) to accept a grant award in the amount of \$505,713 from Office of Emergency Services (OES) for the Southern California High Technology Task Force Identity Theft Detail (SCHTTFITD). The Department will provide an in-kind match of \$126,428 for a program total of \$632,141. This is an ongoing program in its ninth year of funding.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff, as an agent for the County, to accept a SCHTTFITD grant from the OES for Fiscal Year 2008-09, in the amount of \$505,713.
2. Authorize the Sheriff or his designee, on behalf of the County of Los Angeles, to serve as project director of the program, to sign and execute said grant award, and to perform all further tasks necessary for completion of the project, including execution of amendments, extensions, contracts, grant renewals, and other award documents.
3. Instruct the Chair of the Board to provide a wet signature on the Certification of Assurance of Compliance (Attachment I).

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

Under the requirements of the OES, the applicant must complete a Certification of Assurance of Compliance, signed by the Governing Board Chair, in place of a resolution.

The SCHTTFITD will provide the highest quality law enforcement investigative and support services in the identity theft field. The SCHTTFITD will support local law enforcement agencies with training and expertise to assist in investigations and the prosecution of identity theft crimes. It will also support the people of Los Angeles, Orange, and Ventura Counties through investigation and prosecution efforts. In the last 16 months, the SCHTTFITD served 204 search warrants, arrested 218 violators, filed 148 criminal complaints alleging identity theft, and identified 12,072 victims. Nearly \$40.6 million in fraudulently obtained property was recovered.

Senate Bill 438 and Penal Code Section 13848 established a program of financial and technical assistance in the OES, which has been designated as the High Technology Theft and Apprehension Program (HTTAP). The OES awarded a HTTAP grant to Los Angeles, Ventura, and Orange Counties, also known as the Southern California High Tech Task Force (SCHTTF), through the Department, who was designated by your Board as the project director. As an additional program under the SCHTTF grant, the SCHTTFITD was created and funded.

On May 1, 2008, the OES notified the Department of the earmarked allocation in the amount of \$505,713, including a required 25 percent in-kind match of \$126,428 for a program total of \$632,141. The application was submitted on June 2, 2008, for the period of July 1, 2008, through June 30, 2009. Upon signature of the Certification of Assurance, the grant award documents will be executed by the State.

Due to the passage of Senate Bill 438, Los Angeles, Orange, and Ventura Counties' law enforcement and prosecution agencies are involved with local and state law enforcement agencies in the California Statewide High Technology Crime Apprehension and Prosecution Program. This program has become a statewide effort to address the growing rate of high technology crime that is either undetected, unenforced, or unreported to law enforcement. According to the Federal Bureau of Investigations, in 2007, identity theft crime in the United States became a \$52 billion industry.

The participating agencies of Los Angeles, Orange, and Ventura Counties make up one of the State's regional task forces under this program. The Identity Theft Detail is a major component of the task force. Other regional task forces are currently operational in the Sacramento Valley area, Santa Clara County, Napa County, and San Diego County.

The Department will provide grant funded and in-kind support staff for the SCHTTF and SCHTTFITD. All participating agencies will donate at least 40 hours per month to assist in task force and identity theft investigations.

Implementation of Strategic Plan Goals

The program is consistent with the Los Angeles County Strategic Plan. Specifically, Goal 1, Service Excellence, and Goal 5, Children and Families' Well-Being, by providing committed employees to support the High Technology Crime Task Force and Identity Theft Detail in the community. The Task Force will reduce the number of high tech crimes and identity theft crimes and improve the quality of life for citizens in Los Angeles, Orange, and Ventura Counties.

FISCAL IMPACT/FINANCING

This grant award is for the 12 month period commencing July 1, 2008, to June 30, 2009. The program total of \$632,141 is for administrative and investigative positions, operating expenses, and equipment for the detail. A 25 percent in-kind match of \$126,428 is required to receive grant funding. Other agencies receiving funding are Ventura County Sheriff (\$92,088) and Los Angeles County District Attorney (\$45,528).

Approximately 62 percent of the District Attorney's salary expense will be offset by the grant funding, the remaining 38 percent will be absorbed by the District Attorney.

The Department has included funding for this program in the Department's Fiscal Year 2008-09 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Board letter was forwarded to the District Attorney's Office, the Public Defender's Office, and the Alternate Public Defender's Office for review and no impact statements were received from those departments.

This letter has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES

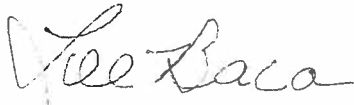

Identity theft crime has evolved and is becoming more "high tech." New trends such as skimming, data breeches, technology advancements, and the current state of the economy have contributed to the rise in identity theft crime. State support of the efforts already made by Los Angeles County is the only way the Identity Theft Detail will be able to continue its tenacious attack on these criminals.
